## IN THE CLAIMS

- 1. (canceled) 1
- 1 2. (currently amended): The case as defined in claim  $1\frac{12}{2}$ ,
- 2 wherein said display case is generally rectangular-
- 3 parallelepiped-shaped.
- 3-5. (canceled) 1
- (currently amended): The case as defined in claim 4 12, 1
- 2 wherein said top portion of said display case has a top
- 3 wall; and
- wherein said top portion of said display case has a front
- 5 wall.
- 7. 1 (original): The case as defined in claim 6, wherein said
- 2 top wall of said top portion of said display case is
- transparent so as to allow seeing said golf-course 3
- 4 related elements in said display case from their tops
- 5 when said top portion of said display case is closed.
- 1 8. (original): The case as defined in claim 6, wherein said
- 2 front wall of said top portion of said display case is
- 3 transparent so as to allow seeing said golf-course
- 4 related elements in said display case from their sides
- 5 when said top portion of said display case is closed.

- (original): The case as defined in claim 6, wherein said 1 9.
- 2 top wall of said top portion of said display case is
- hingedly attached, by hinges, to said rear wall of said 3
- bottom portion of said display case. 4
- (original): The case as defined in claim 6, wherein said 1 10.
- 2 front wall of said top portion of said display case
- 3 depends from said top wall of said top portion of said
- 4 display case; and
- 5 wherein said front wall of said top portion of said
- display case overlies said front wall of said bottom б
- portion of said display case when said top portion of 7
- 8 said display case is closed.
- 11. (currently amended): The case as defined in claim  $\neq 12$ , 1
- wherein said golf course-related elements sit on said 2
- 3 bottom wall of said bottom portion of said display case.
- 12. (currently amended): The case as defined in claim 4 A 1
- 2 case indicative of specific greens of a specific golf
- course for displaying golf balls on tees, said case 3
- 4 comprising:
- 5 a) a display case; and
- 6 b) golf course-related elements;
- 7 wherein said golf course-related elements are disposed
- 8 in said display case, wherein said display case has a
- 9 bottom\_portion;
- 10 wherein said display case has a top portion; and

11	wherein	said top	portion	of said	display	case	selectively	Y
----	---------	----------	---------	---------	---------	------	-------------	---

- 12 closes said bottom portion of said display case, wherein
- said bottom portion of said display case has a bottom 13
- wall; 14
- 15 wherein said bottom portion of said display case has a
- pair of side walls; and 16
- 17 wherein said bottom portion of said display case has a
- rear wall, wherein said golf course-related elements 18
- comprise at least one insert; and 19
- 20 wherein each insert of said at least one insert of said
- 21 golf course-related elements replicates a specific green
- of a specific golf course. 22
  - 1 13. The case as defined in claim 12, wherein
  - 2 said at least one insert of said golf course-related
- 3 elements is eighteen to replicate the eighteen holes of
- 4 a standard golf course.
- 1 14. (original): The case as defined in claim 12, wherein
- 2 each insert of said at least one insert of said golf
- 3 course-related elements is generally flat; and
- wherein each insert of said at least one insert of said
- 5 golf course-related elements is generally square-shaped.
- 1 15. (original): The case as defined in claim 12, wherein
- 2 each insert of said at least one insert of said golf
- 3 course-related elements has a top surface; and
- 4 wherein each insert of said at least one insert of said
- 5 golf course-related elements has a bottom surface.

- 16. (original): The case as defined in claim 15, wherein 1
- 2 said top surface of each insert of said at least one
- 3 insert of said golf course-related elements has indicia
- thereon: and 4
- 5 wherein said indicia on said top surface of each insert
- of said at least one insert of said golf course-related 6
- elements pictorially replicates a specific green of a 7
- specific golf course. 8
- 1 17. (original): The case as defined in claim 12, wherein
- 2 each insert of said at least one insert of said golf
- 3 course-related elements has a through bore;
- 4 wherein said through bore extends centrally through an
- associated insert of said at least one insert of said 5
- 6 golf course-related elements; and
- 7 wherein said through bore through an associated insert
- of said at least one insert of said golf course-related 8
- 9 elements replicates the hole in a specific green of a
- 10 specific golf course.
  - 1 18. (original): The case as defined in claim 15, wherein
  - 2 said bottom surface of each insert of said at least one
  - 3 insert of said golf course-related elements has a portion
- 4 of hook and loop fasteners thereon; and
- 5 wherein said portion of hook and loop fasteners on said
- б bottom surface of each insert of said at least one insert
- of said golf course-related elements selectively mates 7
- 8 with a sheet of a mating portion of hook and loop
- 9 fasteners that covers said bottom wall of said bottom

- portion of said display case so as to allow each insert 10 of said at least one insert of said golf course-related 11
- 12 elements to be interchanged to replicate a specific green
- of a specific golf course. 13
- 1 19. (original): The case as defined in claim 17, wherein
- said through bore in each insert of said at least one 2
- 3 insert of said golf course-related elements is receivable
- Δ of a tee holdable of a golf ball so as to replicate a tee
- 5 in the hole of a green of a standard golf course holding
- a golf ball. 6
- 20. 1 (original): The case as defined in claim 19, wherein
- 2 said tee is split to provide a snugger compressive fit
- in said through bore in an insert of said at least one 3
- insert of said golf course-related elements which it is 4
- 5 received in.
